UFO ROUND LED HIGH BAY

150W

KEY FEATURES

The UFO Round High Bay delivers exceptional performance with Philips LEDs for long life and a high-efficiency dimmable driver. Designed with premium optics, it ensures even light distribution and precise control, making it ideal for warehouses, factories, and other large spaces. With multiple mounting options for versatile installation and a robust 5-year warranty, this 150W fixture provides 21,000 lumens of bright 5000K light, combining reliability and efficiency for demanding applications.

SPECIFICATIONS

Light Output

- 150W with 21,000 lumens
- 5000K CCT

Construction

- Premium optics for even light distribution, utilization and control
- Quality Philips LEDs
- Multiple Mounting options

Electrical

- High efficiency dimmable driver
- 120-277V, 50/60Hz
- Operating temperature: -40°F to 122°F (-40°C to 50°C)

Warranty

5-Year Standard Warranty. See terms at: LEDS-LLC.com

KEY DATA	
Lumen	21000LM
Wattage	15W
Efficacy Range (LPW)	140 LPW
Reported Life (Hours)	50,000

Certifications & Test Data

- cULus Listed, Wet Location
- RoHS compliant with no lead or mercury
- DLC Listed. Search qpl.designlights.org for details
