2FT LED STRIP LIGHT

17W | 1800LM

KEY FEATURES

The 2-Foot LED Strip Light delivers exceptional performance, providing a high-quality replacement for traditional fluorescent light sources. Offering up to 1800 lumens with 0-10V dimming, it reduces energy and maintenance costs, lasting more than 5 times longer with a 45-year lifespan (50,000 hours). Designed for direct wire installation, it features knock-outs for sensors or conduit and is compatible with an optional mounting plate. UL Listed for damp locations, it operates reliably in temperatures from -4°F to 95°F. Perfect for a variety of applications, this strip light replaces 34W fluorescent lamps and comes with a 5-year warranty for peace of mind.
