FULL CUTOFF WALL PACK

70W | 5000K

KEY FEATURES

LEDS Full Cutoff Wall Pack delivers optimized light distribution while eliminating uplight for enhanced efficiency. Designed for entrances, courtyards, industrial spaces, outdoor landscapes, buildings, hotels, and general wall lighting. Its precision-engineered design ensures reliable performance in a variety of applications.

CCT & Light Quality

- 5000K
- >80+ CRI

Light Output

- Light Output: 7200lm
- Efficacy Rating: 103 LPW
- Life time rating 50,000 hrs.

SPECIFICATIONS

Construction

- Die-cast aluminum design for better cooling and light quality
- Premium optics for even light distribution, utilization and control

Optics

- Beam Angle: 62 ° x 118 °
- · Lumileds LEDs: High efficacy, long life

Electrical

- High efficiency LED Driver at >90%
- 120-277V, 50/60Hz

Warranty

5-Year Standard Warranty. See terms at: <u>LEDS-LLC.com</u>

KEY DATA				
Lumen	7200lm			
Wattage	70W			
Efficacy Range (LPW)	103 LPW			
Reported Life (Hours)	50,000			

Certifications & Test Data

- cULus Classified, Wet Location
- IP65 Rated
- · RoHS compliant with no lead or mercury
- DLC* Standard Listed. Please refer to DLC for specific product qualifications at www.designlights.org
